- You are all set! Check in at the on site check in table, with your player passes, event roster, and waivers at least 30 minutes prior to the start of each game.

Junction City Silver Cup 2021 Tournament Check-In/Agreement Sheet

(Please initial next to each statement and sign at bottom)

_____ I have and will maintain MEDICAL RELEASES (Player Registration Forms) and valid PLAYER PASSES for each player throughout the tournament.

_____ I have proper documents for all "Loan" or "Guest" players used by my team (Guest players from within your club do not need special paperwork, only those from other clubs)

_____ I understand that players can only play for one team during the tournament, regardless of age group, flight or club affiliation. The use of a player that has played on another team during the tournament will lead to a forfeit unless the situation has been pre-approved by the tournament director.

_____ I understand that all players should have two different colored jerseys with them at each game. In the event of a color conflict, home teams are required to change jerseys. If the home team is unable to change, the referees may declare a forfeit or may ask the away team to change. Home teams will also be asked to supply 3 game balls for each game.
