

Police K9 Street Readiness Richmond IL Police Dept. K9 Unit June 30, July 1 & July 2, 2026

This patrol course deals primarily with suspect encounters to ensure the highest likelihood of K9 engagement and proper tactical applications for street encounters. This is a three-day class, 24 hours of instruction, working slots open to LE only, approved civilian auditors are also welcome. The topics covered will be:

- What defines street readiness
- The role of Selection, Training (Prey/Defense/Channeling, civil aggression/defense training, Prey Training: Grip development, leather strap, biting with back teeth for maximum pain compliance, Pushing, Fighting from disadvantage), and Maintenance Training in Street Readiness.
- Equipment: The tools of Street Readiness, sleeves, suits, muzzles, hidden equipment, static, progressive and dynamic resistance.
- Back-up neutrality, back-up movement, passive encounters, and passive prone encounters.
- The role of proper defense training/sharpness, civil aggression training, and drive channeling and decoy work to bring this out.
- Hidden equipment decoy work, for forearm, biceps and legs. Blocking, resistance techniques, and slick floors in scenario creation.
- The role of proper targeting in creating engagement habits. Proper bite suit selection and decoying techniques.
- Muzzle work: How to integrate it into your other training, and how to not allow it to depreciate your targeting and cause liability issues.
- How to decoy muzzle work, and Important training record narratives for muzzle work to protect the handler and agency.
- Building Primary and Secondary Targets, fended object scenarios, man-orientation drills and how to integrate them all into scenarios.
- Time Permitting: K9 Integration with drones in Street readiness.
