

The buyer hereby agrees to purchase the puppy named (_____) from Outlaw Aussies & Doxies for the price of \$ _____ plus shipping (if any).

The seller agrees to furnish the buyer with all the necessary health information including Vaccination Records and Worming Records. Puppy will come with ASDR, AKC or ASCA registration depending on parents. Seller will mail the registration papers to the buyer or include them with pick-up of the puppy.

1. Choice of puppy is determined on a first come (deposit received) first to choose basis.
2. All puppies will be sold without breeding rights unless otherwise agreed. All puppies' prices as displayed are pet price only with the agreement and understanding that the puppy being purchased is being bought as a pet. There is no requirement on age of spay or neuter, but it is mandatory unaltered dogs are kept, cared for, and watched responsibly to ensure no "accident" litters are born. Breeding rights will be attached via addendum to the bottom of this contract if so agreed upon or can be purchased at a later time.
3. All deposits and payments are NON-REFUNDABLE. If something happens to your puppy or if one is not available from this litter you will be given choice of a puppy from the next available litter. If you change your mind and do not/cannot get puppy you either forfeit your deposit or decide to wait on another litter. I will only hold our deposit for 1 year of forfeit. Please understand that this is a hard and fast rule. We list this in writing in our contract.
4. Shipping Cost is a flat rate of \$300 for puppies going home via air or the quoted price of ground shipping company via car unless otherwise agreed upon by parties or in special circumstances.
5. Buyer agrees that in buying said dog to submit in all legal matters pertaining to said purchase or any potential dispute regarding said dog or purchase to the jurisdiction of Saunders County, Nebraska.

THIS PUPPY IS GUARANTEED AS FOLLOWS:

1. To be in good physical condition for the first 48 hours after the time of shipping. The buyer agrees to have the puppy examined by a veterinarian within 48 hours after the delivery time or first business day if on weekend for a complete physical examination. Failure of buyer to take said puppy for a physical examination to the vet within 48 hours of shipping voids puppy warranty in full. If a veterinarian finds the puppy to have a contagious disease or to have a serious physical condition other than a bacterial infection such as coccidian or giardia which are easily treated, the seller will replace the puppy with another puppy of comparable or better quality. The seller reserves the right to a second veterinarian opinion at the expense of the seller. No monies will be refunded.

2. To be free from any genetic / hereditary defects that cause death or serious impairment of the vital functions in the puppy until said puppy is one year of age. If such an inheritable defect is documented by a Veterinarian and presented to the seller with enough supporting evidence, the buyer will be entitled to a replacement puppy of the same sex, of comparable or better quality, when available from same or upcoming litter, after the first puppy is returned to seller. No cash refunds will be given, and we will not pay any vet bills. Above warranty excludes hip and joint related issues.

3. Although all precautions are taken to avoid, please be aware that puppies are considered high risk for Coccidia and Giardia (both cause bloody stools). These health issues are usually easily treatable with inexpensive medicine. They are often brought on by the stress of shipping, a new home, new food, new people, and change of climate or surroundings. Shipped puppies seem more prone to showing symptoms of Coccidia or Giardia. Another thing that may show up with shipping and/or the stress of moving to a new home is Kennel Cough (Bordetella-raspy cough). Kennel cough, Coccidia or Giardia on their own are not life threatening. All puppies are preventatively treated for worms, Coccidia, and Giardia, before they leave. Puppies will also be up to date on the puppy vaccinations consistent with their age. We do not guarantee against Coccidia, Giardia, or Kennel Cough. Buyer is fully responsible for puppy at the point in time it leaves our possession to travel to its new home.

4. It is understood that at the time of this sale the puppy is not guaranteed to be of show quality or breeding quality.

THE BUYER AGREES:

1. To always use the kennel name "Outlaw" as the kennel prefix in the registered name of the dog as well as the leading prefix in said dog's name in any advertisement of this dog whether in print or photo publication.

2. If the dog is later sold, or otherwise transferred from the possession of the buyer, for whatever reason, the seller will have the absolute right of first refusal to the dog for a discounted, agreed upon sum on altered dogs and not to exceed the original purchase price on unaltered dogs.

3. Maintain up to date vaccines and regular routine worming. Buyer agrees he/she can provide proper medical attention for said puppy. If the buyer is not financially capable of caring for the medical needs of an Aussie puppy, buyer upon reading this contract will agree to inform us as the sellers and will agree not to buy the puppy. Buyer agrees to take full financial responsibility for any medical treatment necessary for the health and well-being of the puppy. Buyer's responsibility for puppy begins at the point the puppy is picked up in person by the buyer, or when it leaves our possession to be shipped to the buyer. Buyer agrees without reservation to never ask for a cash refund of any kind for any reason. Buyer agrees not to attempt to purchase an Aussie puppy which they are not fully capable of caring for both physically, emotionally, and financially. An Aussie puppy is not a decision that should be made on a whim.

The buyer and seller agree that this is the full and complete agreement that exists between the parties for the sale of this dog. Any agreements made prior to this are considered incorporated herein and any modifications made to this agreement shall be made in writing or such shall not be effective.
