About This Product

NovikShake Half Round is an attractive and decorative architectural element. It's classic "cottage" style complements all sidings while adding a distinctive design to any home. NovikShake's Half Round is a beautiful accent - along with being a perfect low-maintenance siding complement. NovikShake's Half Round comes in a single course (one row of shakes) and installs easily with traditional tools. There are 22 panels per box and each box covers 32.2 sq. ft. Suggested NovikTrim color to match this product: Coffee Bean.

Highlights

- Fast, easy installation - Lightweight and can be easily installed by one person using only traditional tools
- Impervious to moisture - can be installed at ground level or at the roofline
- Durable - resistant to rotting, warping, cracking, expansion, and contraction
- Requires little to no maintenance - no painting, staining, or caulking required
- Each NovikShake Half Round panel has an exposed dimension of 6.75 in x 31.25 in.

Color = Khaki

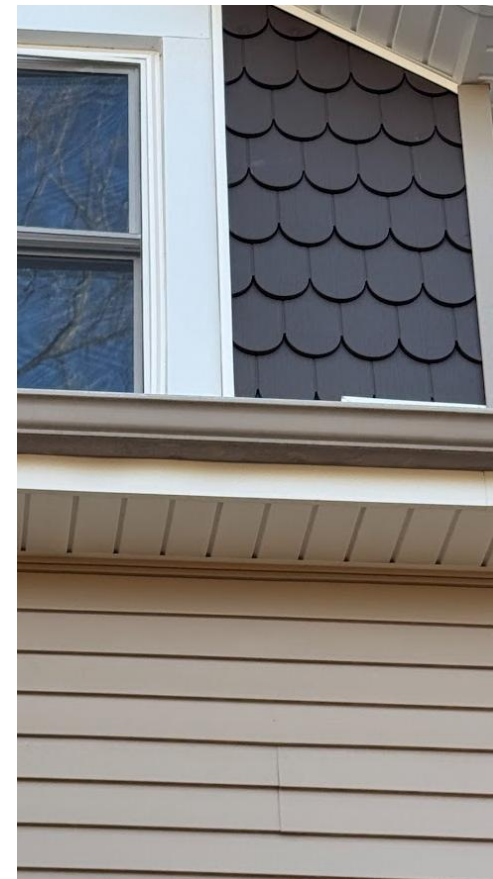

About This Product

Subtle or bold, classic or contemporary, your siding choice is the first step in creating the perfect look for your home's exterior. Trusted by consumers and contractors alike, Ply Gem Transformations Premium Siding offers a 0.040 in. thickness for added impact resistance. Its full 1/2 in. profile height increases rigidity, so panels hang straighter. An oversized lock mechanism and full-length return ensure a stronger, more secure installation.

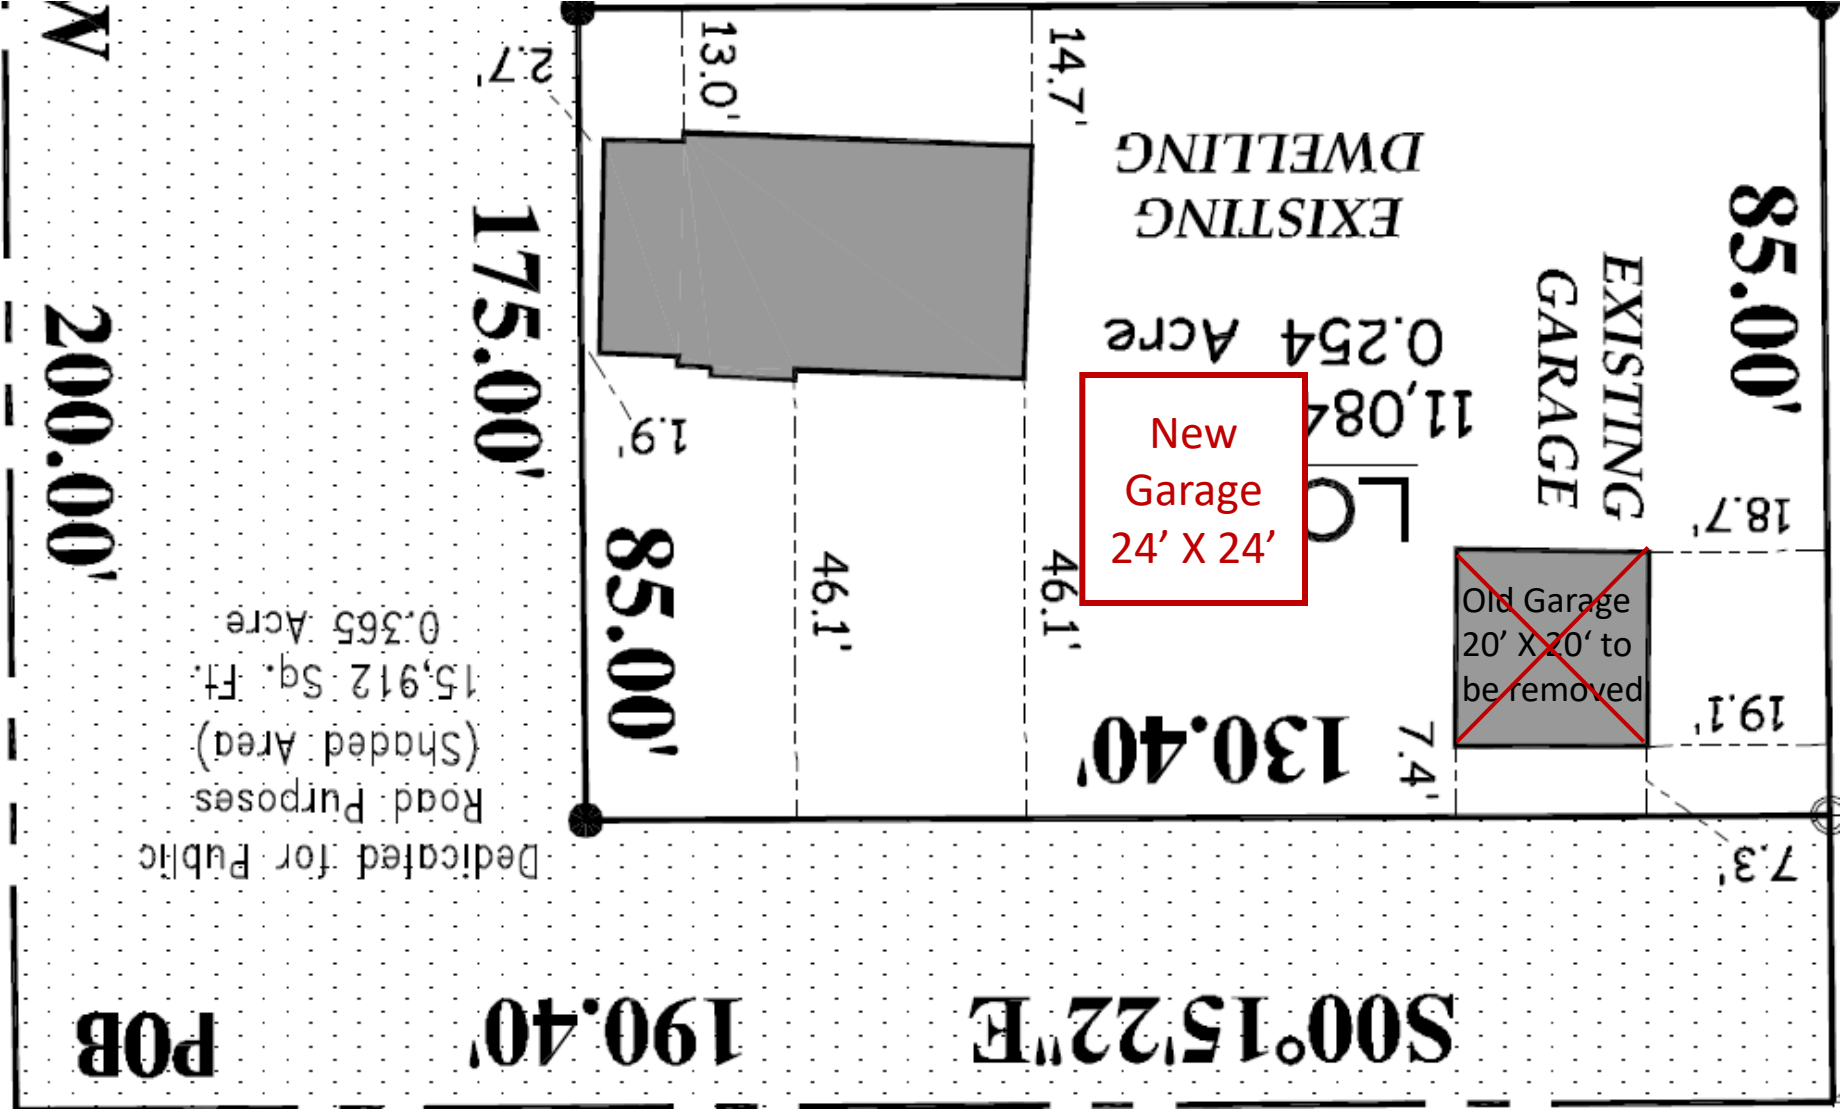

Highlights

Transformations double 5 in. siding
Sample is approximately 9 in. x 24 in.
