DiGi Discoveries LLC is a full-service Business Development & Consulting Firm focused on DE&I initiatives within the business market. We are comprised of knowledgeable business advisors and financial services professionals who demonstrate a passion for delivering unparalleled service.

We provide services focused on business formation and growth services, alternative business and real estate financing solutions, employee benefits, offer strategic consulting for government supplier diversity programs, prime/subcontractor relationships, government certification processing services and consulting on special projects.

Every entrepreneur deserves the opportunity to excel in business, regardless of who they are. Whether it's a start-up or a business that's been around for years, access to resources remain a major barrier for many historically underserved business owners. We help to better position companies for success, whether it's working with large companies to ensure successful DEI initiatives with clients and vendors or enabling businesses to thrive in whatever marketplace or industry they choose.

We work with Businesses, Government Entities, Individuals, and Non-profit sectors. We know that building a successful business takes a lot of hard work, so we invest our time and energy in the personalized attention needed to find the best plans funding and project options that fit the needs of our clients. We are committed to building relationships one client at a time while protecting what matters most.
