Privacy Policy and Terms & Conditions

Effective Date: July 17, 2026

LifeLine EMS Training and Consulting LLC

Privacy Policy

Purpose

LifeLine AED Trainer is an educational application intended solely for CPR, AED, EMS, fire, healthcare, workplace, and public safety training. It is not a medical device and is not intended for use in real patient care.

Information We Collect

The App does not require user accounts and does not collect names, email addresses, phone numbers, physical addresses, medical information, or payment information. Apple may provide anonymous crash or diagnostic reports if enabled by the user. Training settings and preferences are stored locally on the device.

How We Use Information

Anonymous diagnostics may be used to improve stability, performance, and future versions. We do not sell, rent, or use information for advertising.

Third-Party Services

Anonymous diagnostics may be processed through Apple services. If future versions integrate analytics, subscriptions, or cloud services, this policy will be updated.

Data Sharing

We do not sell or share personal information. Anonymous diagnostics may be processed by Apple.

Children's Privacy

We do not knowingly collect personal information from children under 13.

Security

We use commercially reasonable safeguards but no electronic system is completely secure.

Your Rights

Because we generally do not collect personal information, there is typically no personal information to access or delete. Contact: fdstreetdrill.lagged948@passmail.com

Changes

We may revise this Privacy Policy at any time by updating the effective date.

Terms and Conditions

Agreement

By downloading or using LifeLine AED Trainer, you agree to these Terms.

Educational Purpose Only

The App is for education and simulation only. It is not an AED, medical device, or substitute for CPR/AED certification.

No Medical Advice

Nothing in the App constitutes medical advice. Follow manufacturer instructions, local protocols, current resuscitation guidelines, and medical direction.

Emergency Use Prohibited

Do not use the App during actual patient care or emergencies.

User Responsibility

Users are responsible for maintaining competency and verifying information before clinical use.

Training Scenarios

All scenarios, prompts, and timers are simulated educational exercises.

Intellectual Property

All software, graphics, logos, and educational content are the property of LifeLine EMS Training and Consulting LLC unless otherwise noted.

License

A limited, non-transferable license is granted under Apple's Standard Licensed Application End User License Agreement.

Subscriptions

If subscriptions are offered, billing, renewals, and refunds are managed through Apple.

Disclaimer of Warranties

The App is provided 'AS IS' and 'AS AVAILABLE' without warranties to the fullest extent permitted by law.

Limitation of Liability

LifeLine EMS Training and Consulting LLC is not liable for damages arising from use or misuse of the App.

Governing Law

These Terms are governed by the laws of the Commonwealth of Virginia.
