

Street EMS Reference Privacy Policy

Effective Date: July 2, 2026

Street EMS Reference is owned and operated by LifeLine EMS Training and Consulting LLC ("LifeLine EMS," "we," "our," or "us"). This Privacy Policy explains how information is handled when using the Street EMS Reference mobile application and associated website.

Information We Collect

Information you voluntarily provide (such as support emails), anonymous device/app diagnostics, purchase status from Apple StoreKit, and optional analytics if enabled. We do not collect payment card information.

Information We Do Not Collect

We do not intentionally collect patient records, PHI, medical records, contact lists, photos, microphone recordings, or precise location for this app.

How We Use Information

To provide app functionality, verify purchases, restore purchases, improve the app, respond to support requests, maintain security, and comply with legal obligations.

In-App Purchases

Subscriptions and purchases are processed by Apple. We receive only information necessary to determine purchase status.

Digital Reference Cards

Purchased reference cards are licensed, not sold. Downloading content does not transfer ownership of the intellectual property.

Sharing Information

We do not sell personal information. Limited information may be shared with service providers that help operate the app, analytics, or comply with law.

Security

Reasonable safeguards are used; however, no electronic system is completely secure.

Children

The app is intended for healthcare professionals and students and is not directed to children under 13.

Changes

We may update this policy from time to time. Continued use constitutes acceptance of updates.
