

Introducing DAVO

by Avalara

We are pleased to partner with Avalara to bring you DAVO — the power to simplify your sales tax. Payments Hub lets you select the tax rate applicable to your products and the markets in which they are sold. DAVO elevates this convenience by automating the cash management and filing process.

What DAVO recommends.

Now, you can automatically:

- ✓ Set sales tax funds aside on a daily basis.
- ✓ File and remit the collected tax amount.
- ✓ Report it to the appropriate tax authorities.

Automating sales tax helps businesses of all sizes:

- ✓ Reduce time and effort — and save money. ¹
- ✓ Improve accuracy of tax calculations.
- ✓ Avoid costly errors and penalties.
- ✓ Ensure compliance with complex, ever-changing regulations. ²

How to add DAVO.

You'll find DAVO on the Integrations page on Payments Hub. Here's how the process works:

- 1 Click the DAVO box to view user information, review pricing, general description, and features.
- 2 Select "Connect" to initiate the integration — the first filing month is free, then \$54.99/mo per location.
- 3 You'll be asked to agree to terms and pricing.
- 4 Your confirmation of the integration is displayed along with links to the DAVO site.

Take the taxing work out of your sales tax. Simplify the process with DAVO today.

¹ According to a 2023 survey of businesses with 19 or fewer employees estimate spending \$1,161/month identifying state sales tax obligations and filing requirements.

² In 2023, there were 11,192 sales and use tax rate updates in the U.S.
