Sue Reisinger read the treasury report. The report was approved.

Next on the agenda was the Committee Reports:

RULES- Sue Swanson:

1. When putting, if another person's ball is in the cup when another ball is putt'd
There is no penalty for hitting the ball in the cup as it is deemed a "dead ball". Of course, if the 2nd ball comes back out of the cup, the person putting has to continue putt'ing until they hole out.
2. When putt'ing, it is legal to reach across the hole and "tap in" as long as the stroke is a "tap" and not a "drag".

HANDICOMP – Leslie Hall

No new items to report (the Handicaps will continue to be posted on the 1st of each month)

PAIRINGS – Leslie Hall

1. Weekly pairing will continue to have sign up sheet which Leslie will turn in to the pro shop
 - i. Rec # in addition to last name must be legible
 - ii. Any changes/adds/cancels after the pairings have been given to the pro shop must be sent to Leslie (with a cc to the foursome members) via email. The member must also call the Pro Shop with the updated information.

The questions was asked why we had foursomes most of the winter. The answer is because it has been such a cold winter, no one wanted to play earlier and we had to leave at least 2 times at the end between our league and the ladies 9-hole league. As the temperatures get warmer and we play earlier we will go back to the preferred threesome format.

POD – Pam Prosser

In Pam's absence, Cindi Finken brought up the method of payout in the event of a tie.

Edie Kinst moved to use a scorecard playoff (starting with the number 1 handicap hole and so on) to break the tie. For instance, if there are 2 people tied for 1st, the winner of the scorecard play-off would win the POD and the 2nd person would take 2nd. If the tie was for 2nd place, then the scorecard playoff would determine the winner of second, (if 3 places are paid, then the 2nd person would take 3rd place)

Laurie Grant seconded the motion and membership approved the motion.

BEAUTIFICATION – Mary Ann Rispoli

Mary Ann reported the green committee has submitted a request to the RCSC to implement yellow Tees. This proposal is on step 1 which is to get into the budget for 2024. There are numerous Items that need to be addressed in order to make this happen.

Mary Ann also reported it had been brought up at the greens committee that there are no lights in the Willowcreek/Willowbrook parking lot. This item is also on request to the RCSC.

The USGA consultants inspected Willowbrook and found the bunker and grass around the greens to get an unfavorable review.

Mary Ann was asked to take back to the green's committee the issue of maintenance equipment tracks around the greens etc and the method of rolling the greens. She said when bringing those items up in the past there has always been an issue of "keeping employees"

The greens committee is also looking at changing the memorial markers. She asked for everyone to "put your thinking cap" on and at the November meeting bring suggestions for changes to the current permanent markers.

Donna's bench fund is currently \$388.00 and Mary Ann will order the bench and the grounds crew will assemble it. Mary Ann passed around the 2 choices to get member input and will advise us on the choice. Cindi Finken made a motion to place the bench on hole #7. Laurie Grant seconded the motion and the membership approved the motion.
