The 50/50 Raffle was held at the scramble, and the members were able to purchase additional tickets at the General Meeting. The drawing was held and Jane Hansen was the winner. The pot was \$55.00 and the club received \$56.00.

The 50/50 Raffle will be held at each “fun day” event. The March 25<sup>th</sup> Scramble concludes the FUN DAY event until they resume in October.

The members commented on the new league shirts and everyone loves them!

Laurie reminded everyone to always enter their scores into the GHIN system, even on days they don’t play league play. This gives a true picture of the members actual handicap. Since we have transitioned to the GHIN system, the handicaps seem to be very accurate to scores for tournament play.

Pat Nunemaker motioned to keep the board members the same for next year. Cindy Henning made a second to the motion and the motion carried. The board members will be for the 2025-2026 year:

Laurie Grant – President

Pat Nunemaker – Vice President

Cindi Finken – Secretary

Sue Reisinger – Treasurer

Under old business:

Linda Hardman reported for the Green Committee and the Green committee money is now in a combined account with Willowbrook/Willowcreek. This is a separate stand-alone account strictly for beautification on the two courses. It is not maintained on the General Ledger for either the Willowbrook League or the Willowcreek League. Linda talked to Brian (RCSC Golf Course Manager) about yellow tees for Willowbrook and they said they couldn’t afford it. Edie Kinst complimented Linda Hardman for taking the league concerns to the committee.

Sue Reisinger gave a financial report and advised the club has \$200 in the account.

Laurie thanked Pam for making new POD and HDCP boxes for the play day cards, as well as the new chip in jar.

Rhonda motioned the meeting be adjourned and Cindy Henning seconded the motion and the motion carried.

Meeting adjourned at 12:58 PM
