

## SPOTLIGHT ON MISSIONARIES.....

James and Melinda Wiese

Jim and Mindy Wiese have been called and chosen of the Lord for such a time as this.

Mindy completed ordination with Church of God. Jim and Mindy are being sent forth! Associate missionaries to South Pacific! Jim and Mindy completed MIP program Ministerial Internship Program. Doors are opening.

Mindy and Jim share the vision and love for the people of Samoa. A team serving together with Mindy preaching and the one ordained. As Jim says, "she does the talking."

Jim and Mindy have served faithfully for years in the local church. They have a servant's heart to go, do and be where the Lord calls them.

They are in a season of transition. The call of God came years ago to Mindy and three years ago she stepped down from a nursing career as an Assistant Professor saying yes to the call. Jim has recently retired to answer the call to go.

Jim and Mindy are servants of the Lord, seeking intimacy with the Lord with a passion to share the gospel with those that are lost.

Mindy has experience with bringing the word of God to women's events, the local church, and missions.
