

Rhode Island Field Archery Association 2025 Outdoor Shoot Schedule

The RIFAA is pleased to present the 2025 outdoor shoot schedule. The schedule will include six shoots, including the Outdoor State Championship.

Are you interested in shooting a round that has a high number of arrows and covers both extra close and extra long distances? "Well, we've got you covered!" Our season will include three of the traditional, NFAA Field Rounds. This round is 112 arrows at distances from 25 feet to 80 yards. It is twice around the course, with each time around being 14 targets of 4 arrows per target. Perfect score is 560.

Are you interested in shooting a round that is a moderate number of arrows and covers moderately close to moderately long distances?

"Well, we've got you covered!" Our season will include three of the NFAA International Rounds. This round is 60 arrows at distances from 20 yards to 65 yards. It is twice around the course, with each time around being 10 targets of 3 arrows per target. Perfect score is 300.

So, the 2025, RIFAA Outdoor Shoot Schedule has something for everyone. "We have it all!"

All shoots, except the state championship, are open to everyone – no membership is needed in either Narragansett Bow Hunters or the RIFAA. For the Outdoor State Championship, all shooters must be an NFAA member. To be eligible for awards, a shooter must also be an RIFAA member. Those who are NFAA members but not an RIFAA member, such as those associated with another state, can still shoot the state championship but only in the Guest Class, for which there are no awards.

If you have not tried shooting an outdoor round, feel free to reach out to Steve Morra (contact info below), as he, along with others, will introduce you to this aspect of archery. We will gladly take someone new and teach them how to shoot a round at any of our tournaments.

We look forward to seeing you at the outdoor shoots this season.
