Urgent National Petition Public Cry **Stop the Civil War!**

Pursuant to the 2nd Paragraph, Preamble of the United States Declaration of Independence, “if any form of government becomes destructive to these ends, it is the right of the people to alter or abolish it.” *We the People* of the United States of America hereby exercise our right to alter the current United States Government, thereby laying the foundation for a **New United States Government!** (refer to Progressional Women’s Empowerment Act) Our **love** and unity will stop the orchestrated and/or planned **Civil War**, putting an end to any potential unrest, thus saving millions of **Americans lives** and protecting all of our **children!** Therefore, it is urgent **now** that we the American people, pledge our love and financial support to the **R19** Presidential Movement. We acknowledge that this is the **only** way that our nation at this point will endure and flourish!

ALL INCLUSIVE LOVE IS THE KEY

SAVE OUR NATION

We affirm that the New United States of America’s Government shall be established and effective immediately following the election and subsequent inauguration of President **R19**. We pledge to financially support the **R19** Presidential Movement, and vote **R19** for President, election year 2020.
