

HOUSE BILL 19 X 1

By: President "R19" Boddie

AN ACT TO ESTABLISH ORDER

1 In accordance with the Preamble, 2nd paragraph, of The United States Declaration of
 2 Independence "That whenever any Form of Government (United States Incorporated, male
 3 dominated system is a form of government) becomes destructive to these ends, (domestic
 4 genocide) it is the right of the People to alter or to abolish it, and to institute new Government
 5 (new United States Government, matriarch, feminine rule), laying its foundation on such
 6 principles and organizing its powers in such form, as to them shall seem most likely to effect
 7 their Safety and Happiness." To change the word Congress as in United States Congress to
 8 Progress for new **United States Progress**. **NOW** women shall rule and occupy every seat of
 9 both the United States House of Representatives and the United States Senate.

10 **BE IT ENACTED BY THE NEWLY ESTABLISHED**
 11 ***US PROGRESS***
 12 **SECTION 1**

13
 14 **This act may be known and can be sited as the "Progressional Women's Empowerment**
 15 **Act"**

16 **SECTION 2**

17 Women have the right to alter this current, male dominated government because without
 18 question, it has been "destructive to these ends."

19 Now, let's look at the legal definition of the word destructive: annihilating, baleful, destroying,
 20 detrimental, feral, harmful, injurious, malign, miasmatic, miasmatic, miasmatic, pernicious.

21 So now, let's look at the definition of the word genocide; the crime of destroying or conspiring to
22 destroy a national, ethnic, racial or religious group.

23 So now, what might be a shock to you all is the truth that the current United States Incorporated,
24 male dominated government is guilty of the crime of genocide against a national group and
25 without question, the national group is...ready? The American people. And how? For one, the
26 laying down of concrete, be it for our nation's highways, playgrounds, school yards, city
27 sidewalks and/or your very own back yard. Now consider this fact, that according to United
28 States medical history, concrete dust (erosion) causes lung disease and respiratory illness, and is
29 an agent to cancer. Yet, concrete dust also causes strokes and other debilitating conditions that
30 are plaguing many Americans right now today. Have you ever slept on concrete before? I have
31 and when you wake up you feel like you have been in a fight. And why? Because concrete
32 drains the human body of its electricity and they, the current United States Incorporated, male
33 dominated government have glazed the entire nation with that crap! You see?? That is just one
34 of the many components to show how destructive the United States Incorporated, male
35 dominated government really is. Not to mention the Act of 1830, The Indian Removal Act,
36 whereas the 7th President, Andrew Jackson **violated** the Supreme Court Order that the Cherokee
37 Nation shall not be evicted from their reservation. So, what did the 7th President, Andrew
38 Jackson do? He murdered men, women, and children, committing genocide against an entire
39 Native American Nation causing what is known as the "Trail of Tears" and like the famous
40 R&B, Neo Soul artist Erykah Badu said, we can go "on and on." However, let's move **ON**. So,
41 with these facts, I am sure you all would agree that we now have compelling evidence that the
42 current United States Incorporated male dominated government has been destructive to these
43 ends. This is why we must must implement and/or lay the foundation for a New United States
44 Government/Matriarch System, which is the very system of government that was in place here in
45 American before the families of the European settlers got here. That's right, the
46 Iroquis/Haudenosaunee League of Nations were a Union of five Native American nations who at
47 one time were at war with each other but came together and solved their conflicts and enjoyed
48 centuries of peace. And how? Through the implementation of a new government whereas
49 women ruled, sat in every political position of power, made all decisions, with one appointed
50 duly, elected male as their chief and/or overseer. Iroquis/Haudenosaunee League of Nations
51 even had their own oral laws and constitution, which impressed the confederate settlers so much

52 that they used the Iroquis/Haudenosaunee League of Nations system of government and
53 constitution as the template to form our very own United States Government and Constitution.
54 The confederate settlers called themselves the “founding fathers” of this nation yet they failed to
55 mention the “founding mothers.” However, as the next elected President of These United States
56 of America, I R19, will elevate and exalt 12 duly, qualified, compassionate, anointed, women to
57 new seats of absolute power and authority. As I will be a chief and overseer to them and
58 together we will effect change. And why? To ensure the safety, happiness, prosperity and well-
59 being of all Americans.

60
