Town Government Highlights

• **Potential East Granby Land Sale — no new information as of 5/29**

First Selectwoman Eden Wimpfheimer mentioned a potential Town land sale when
addressing correspondence on the BOS 5/14 agenda, but offered no details.

• **WPCA Sewer Testing/Repair Status:** Of the 6 meters in use, the WPCA is only
replacing Meter 5 as the Town owns it. We're not replacing Meter 1 at this time,
as the MDC owns that, according to the 1st Selectwoman. No study or meter
replacements are scheduled to take place on any of the other meters at this time.
According to the 1st Selectwoman's numbers the additional cost for the study
and meter work should be roughly \$289,751 to the town. [\$199,326.00 initial
study cost, \$53,425.00 engineering cost for meter flow study, \$23,500 extension
of meter flow testing, \$11,000 Replacement Meter for Meter Pit #5 and \$2,500
Labor for installation and calibration for meter in Meter Pit #5. (1st Selectwoman
is applying for a grant to get 55% reimbursement back from the initial study cost
of \$199,326.00)]. *This does not include any of the lawyers fees associated with the
WPCA & the Flow Study or Meter Work agreements.*
