### September Issue

*The Official Newsletter of the Town of East Granby*  
September 2026 • Volume XXXI, Issue VI  
**A Summer of Memories and an Incredible First Eight Months**  
Dear East Granby Residents,

As summer comes to an end, I find myself reflecting on what has been an incredible first eight months serving as your First Selectperson, and on a summer that I believe we will remember for a very long time.

First and foremost, thank you.

Thank you for showing up. Thank you for volunteering. Thank you for supporting our community events, our departments, our boards and commissions, and our local businesses. Most importantly, thank you for continuing to make East Granby the kind of community where people know their neighbors, look out for one another, and come together to celebrate what makes our town special.

This summer was a perfect example of that spirit.

Working alongside our remarkable Park & Recreation Team and Park & Recreation Commission, as well as the East Granby 250th Anniversary Committee, we were able to create a summer filled with opportunities for families to come together.

We had three amazing concerts at East Granby Farms, culminating in our Last Blast of Summer, which brought more than 1,000 people together for a wonderful evening of music, community, and celebration.

More than 300 children came out for our Touch-A-Truck event, where kids had the opportunity to climb into and explore the trucks and equipment that help keep our community running.

And then there were the fireworks!

We celebrated America's 250th anniversary with a magnificent 20-minute fireworks display—paid for completely through donations. I want to thank every sponsor and every individual who contributed to make that celebration possible. Because of your generosity, we were able to provide an unforgettable night for our residents without putting the cost on taxpayers.

We put the Town's new Senior Bus on the road, and for the first time we were able to run two shuttle buses to bring folks to their cars after the Last Blast Concert and Fireworks. This second bus allows our Park & Rec Department to have their own vehicle for the first time ever and this will save us thousands of dollars each year on bus rental fees.

These are the moments that remind us that local government isn't just about budgets, ordinances, and infrastructure.

**It's about community.**

And while we have had a lot of fun this summer, we have also been working hard on the business of running our town and being responsible stewards of your tax dollars.

One accomplishment I am particularly proud of is our budget.

Working together with our department heads, boards, and commissions, we were able to bring forward one of the lowest budget increase requests in the Farmington Valley. I believe that demonstrates that we can continue investing in East Granby while also recognizing the responsibility we have to the taxpayers who fund our town.

We have also continued to look for ways to deliver projects more efficiently and save taxpayer dollars.

## ANNUAL SCOUTING FOR FOOD DRIVE 2026

Dear Fellow Citizen,

East Granby is a very special town to live in. When people need help, the community pulls together and gives it.

As in past years, the East Granby Scouts (Boys, Cubs, and Girls) are conducting a Food Drive to benefit East Granby's Friend to Friend Food Pantry and ask you to donate whatever nonperishable food items you can afford.

We are also asking for any refundable bottles and cans you'd like to contribute as well. All proceeds will help support the lessons and adventures of East Granby Cub Scout Pack 70.

We have provided you with this bag for your assistance and ask that you place the bag(s) with your donations at the end of your driveway next Saturday, October 24, 2025, by 8:00 AM so the Scouts can easily pick them up. Donations will be delivered and sorted at the Friend-to-Friend Food Pantry at the East Granby Congregational Church.

If you choose to contribute refundable bottles and cans, please put them in a leak-proof plastic bag and leave them at the end of your driveway with your food donation.

As a reminder, we will begin our bag collection at

**8:00 AM on Saturday, October 24, 2026**

(THE FRIEND-TO-FRIEND FOOD PANTRY CAN NOT ACCEPT EXPIRED FOODS)
