or email applications (we can invoice later) to: info@hammondsport.org

MEMBERSHIP BENEFITS: Many people ask, “What does the Chamber of Commerce do for my business”. Though it may be hard for many of you to see because you are so busy with your normal business duties:

- * We are here to greet all the Visitors to our newly renovated Visitor Center 7 days per week in season and are open 12 months per year
- * We have a very informative website-Hammondsport.org as a reference of our businesses for the visitor. It keeps events up to date on our Daily Events Calendar, that you can add your events to by emailing the Chamber office.
- * Our newly designed brochure is categorized w/each business name, address, & website
- * Your brochures are displayed on our racks for all to see.
- * We have a social media presence on **Facebook** and **Instagram**
- * We also do a vacancy report of our accommodations in the area for the tourists to see each Friday
- * We sponsor 8 events in our area and our summer Music in the Park series drawing thousands of visitors each year. We also promote “non-Chamber sponsored” events in our area on our social media channels
- * We belong to the **Steuben County Conference and Visitors Bureau** and **The Finger Lakes Tourism Alliance** that also have a huge social media presence, representing our Chamber. Our area is widely showcased on these websites, giving the Keuka Lake area an advantage.

The New **EXPLORE** app is a huge advantage for visitors on the go. It is an ever-evolving marketing tool for all our county businesses.

- * Members are encouraged to use the John Jensen Community Room for functions. It offers ac/heat, room for 75, bathrooms and a utility kitchen. The price as a member is half that of non-members.
- * We offer group benefit packages through Century Benefit Group, Inc.
- * Our Business After Hours Events promote networking with our membership. More membership functions are in the works for the near future.

[We encourage you to take advantage of what the Chamber of Commerce offers as well as advise us of things you would like us to do to help your business thrive for years to come!](#)
