

Thank you for Hosting Business After Hours this Month. We had a great time and met a lot of new people. For those of you who don't know what Business After hours is, it's a chance for people in the industry to meet each other and to see what other businesses are doing. This helps unite the industries in the area and build long-term relationships.

The Union Block Italian was established in 2009. Located on the Landing of Birkett Mills and below the Water Street Wine Bar, Union Block Italian serves up homestyle Italian cuisine with a Mediterranean influence. Classics on our menu like Lasagna and Shrimp Scampi live along with original creations like our house-made dressings & sauces. Enjoy local craft beers, wines, and specialty cocktails in our rustic bar/dining area or out on the patio.
