

Donate a Gift Card

Help us celebrate art, nature & community

Celebration date: September 26

The Poetry/Photography Walk brings local creative work to the Mountain-Bay Trail. This celebration marks the culmination of our first walk and installation and honors the trail's 30th anniversary with the Friends of the Mountain Bay Trail Organization.

Why gift cards?

Gift cards let us introduce people to your business, service, organization, or creative work.

When someone receives your gift card, they have a reason to visit, book, shop, learn, or connect with what you offer.

Physical items are welcome too, but gift cards help us send customers and clients back to you.

Any amount is welcome

Donate one gift card, multiple gift cards, or an item. Every contribution helps us celebrate and support local creativity.

No gift card? Work with Rosie and they can help create a gift certificate for your service, artwork, class, or offering.

What donors receive

As a thank you, donors receive:

- Recognition on Poetry/Photography Walk social media
- Online shout outs with a link to your website, shop, page, or preferred URL
- Recognition at the September 26 celebration
- Space to showcase a rack card, tri-fold, business card, or similar promotional piece at the celebration
