

Yellowstone County Continuum of Care Announces Abi Scherer as Interim Coordinator

Billings, MT – The Yellowstone County Continuum of Care (CoC) is pleased to introduce Abi Scherer as its interim CoC Coordinator. Abi has been with the coalition for over a year and stepped up at the end of July to serve as the interim CoC Coordinator.

In her role, Abi will focus on strengthening partnerships, securing funding, and coordinating effective initiatives that align with the CoC's mission. Her passion for community service and commitment to ending homelessness will assist in advancing the coalition's goals.

Abi holds a degree in Political Science from Ohio University focusing on federal housing policy and its impacts on people facing housing instability. Her experience with the CoC as an AmeriCorps VISTA will allow her to transition the CoC into a coalition role in the community.

The Yellowstone County CoC is dedicated to coordinating resources, services, and strategies to improve the lives of individuals and families facing homelessness in the region. We are excited to welcome Abi to the team and look forward to the positive impact her leadership will bring.

Abi is now the CoC contact, so for any CoC related questions, please contact her at admin@yellowstonecoc.com or 406-794-3087.
