

Welcome to Tiny and Mighty School

(Bronx Waldorf + Montessori Pre-K)

Dear Families,

Welcome and thank you for considering Tiny and Mighty School as a partner in your child's early learning journey. We are delighted by your interest and excited to share how our program supports curious, confident, independent and compassionate young learners

Our Philosophy

At Tiny and mighty School we offer a bi-lingual learning experience. We blend Waldorf inspired play within a Montessori-informed framework to nurture the whole child. We believe children learn best through hands-on experiences, gentle guidance, and a prepared environment that invites exploration. Our approach emphasizes:

- **Playful, child-centered discovery**
- **Developmentally appropriate routines that foster security and independence**
- **Rich literacy, STEM, and creative arts within meaningful, real-world contexts**
- **Faith-forward values that honor each families beliefs and Practices**
- **A warm, inclusive community where families partner with teachers**

What sets us apart (Glad you asked)

- 
- **Montessori & Waldorf Fusion Curriculum** — A unique, research-based blend that unites the best of both worlds: Montessori's independence and sensory exploration with Waldorf's creativity, rhythm, and reverence for childhood.
 - **Wholesome, Holistic Development** — We focus on the whole child: mind, body, and spirit. Our environment supports self-regulation, emotional intelligence, social harmony, and hands-on learning.
 - **Calm Environment**— our environment is uncluttered, multi-sensory, and student led within clear boundaries and prepared materials. we prioritize real-world, project-based experiences. reflective practice and mindful use of technology only when it meaningfully enhances understanding
 - **Family Transparency with Brightwheel** — Parents receive real-time updates, photos, and daily e-reports. You can track meals, naps, diaper changes, lessons, and milestones every day.
