Annotations: 'Create Username' points to the Username field. 'Your Info' points to the First Name, Last Name, and Birthday fields.

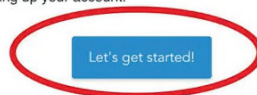

Enter your member information

Follow next steps:

Welcome to the Equestevent, Inc. Member Management System. You recently requested access to this system using this email address. In order to finish this process, we need you to log in and setup your security questions, choose your own password, and setup your profile. The username you selected is: jbright. Simply click the link below in order to start setting up your account.

If you did not request access to this system, you may simply delete this email.

Thank you!
-- Equestevent, Inc.

Are you an NHSRA member?

If so, then you can import all of your NHSRA member information now and you will not need to create a new account. You will need your NHSRA username and password. If you don't have this information, you can click the link below to obtain your login information.

NHSRA Username

NHSRA Password

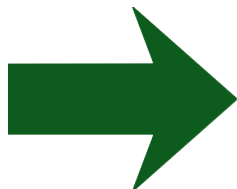

[RETRIEVE MY DATA!](#)

By selecting the option above, you are also consenting to the Terms of Service.

[I AM NOT AN NHSRA MEMBER](#)

Annotations: A red speech bubble points to the NHSRA Username and Password fields with the text 'This is your NHSRA Membership Username & Password'. Another red speech bubble points to the 'RETRIEVE MY DATA!' button with the text 'Then Click HERE'.

Link your account - put in your NHSRA Username & Password
