FOR IMMEDIATE RELEASE

**Laura Judge Formally Announces Campaign and Launches KickOff for
Cobb County School Board**

MARIETTA, GA — Laura Judge of East Cobb has formally announced her campaign for the Cobb County School Board in Post 5. Post 5 covers neighborhoods that feed into Wheeler HS, Walton HS, and Pope HS.

“I’m excited to announce my candidacy for the Cobb County School Board,” Judge states. As previously mentioned when the Declaration of Intent was filed, Judge reiterates, “While our East Cobb schools are some of the best in not only the county, but the state and nation, community members still have questions regarding financial decisions, literacy concerns, school safety, and discipline issues.”

Judge has a history of speaking at the school board meetings, mostly regarding school safety or financial concerns as a member of Watching the Funds - Cobb. Judge has two children in the Cobb County School District and she has been involved with advocating for all children through her prior volunteer work as a Mom Demand Action member, a school volunteer, and the Education Chair of District 2 Cobb Commissioner Richardson’s Community Cabinet. “Parents, students, and teachers deserve to be engaged with our school board and their voices should be heard,” said Judge. “While I appreciate that the incumbent Mr. Banks has dedicated close to 16 years of service, it is time for a change that will bring in a knowledgeable and dedicated parent that represents the community.”
