

Cazenovia Youth Football and Cheer

2023 Volunteer Form

Thank you for your support!

Cazenovia Youth Football and Cheer is entirely volunteer based! As the saying goes, "It takes a Village," and we'd appreciate any support you're willing to give, especially on home game days. Please let us know if you can help*!

Concessions

Concessions are run at home games and volunteers are needed for 2-hour time slots; we make sure not to schedule you during your child's game time!

50/50 Raffle, Apparel Table

Raffles are run at the beginning and during halftime of each team's home game (three raffles each Sunday).

Sideline Chains

Two groups of 2 individuals each are needed to help run the sideline chains for the B and C team away games.

* Volunteer schedule TBD. Volunteering can be for one game or all – we appreciate any time you're willing to dedicate to the organization!

~ OR ~

Time is precious. Between work, kids, pets, and the daily grind, the last thing you want to do is sign up for another obligation. We can totally relate! In lieu of volunteering, please consider a donation to help defray increasing program costs.

\$25 donation. Volunteering sounds great, but in all reality, I just want to enjoy watching my football player or cheerleader do their thing.

\$75 donation. Thanks for the guilt-free opt-out! I'm terrible at fundraising too, so count this towards both and consider me done!

\$_____ donation. I'm happy to make this donation to express my appreciation for not having to fundraise, sell raffle tickets, peddle Lakers attire, brave the mud and elements to keep the chains in proper location, run the cash register, or sweat buckets manning the griddle.
