We are waiting on a final schedule from the league and expect to have dates solidified by July 1. Please note that practice days and time may vary per team. Tentatively, tackle teams can plan on practices beginning the second or third week of August (August 7 or August 14).

\* We'll do our best to fit helmets and size cheerleaders at our July registration dates. However, please bear with us as our plans may change depending on construction at the high school field. We're currently unsure about our equipment storage and if/when it will be accessible.
