EXPERIENCE

SEA EAGLE &
NATURE SAFARI

A trip made for nature enthusiasts! You get the chance to meet sea eagles and experience some of the most scenic landscapes in Lofoten. The tour starts from the quayside in Svolvær, and will take you through Raftsundet before entering Trollfjorden. This is some of the most dramatic scenery that Norway has to offer and in an open boat you will get close to the elements. There is a large population of sea eagles in Raftsundet.

Lily Country Club in Oslo presents a refined dining experience set amidst lush landscapes. The restaurant boasts a sophisticated atmosphere with elegant decor, offering a menu that highlights French & Italian-inspired dishes crafted with seasonal ingredients sourced from the abundant local area. In Lofoten the we will enjoy the local cuisine, again, based on the incredible locally sourced ingredients.
