

*B CH BRAMBLESTONE CELTIC QUINN

We're very happy Bramblestone Farm/Lesa Wilke entrusted us with one of Celtic Quinn's gorgeous buckling's, ***B Bramblestone CQ Spiced Tea** in 2018.

*B CH Bramblestone Celtic Quinn was the first buckling born at Bramblestone Farm that Lisa retained and he was **polled**. Celtic Quinn has a spectacular pedigree and is the grandson of the **2012 ADGA National Grand Champion** senior doe!

Celtic Quinn was Grand Champion Buck and Best of Breed at his third show; he has **three championship legs** under three different judges! That made him Bramblestone Farm's first homegrown **Permanent Champion** buck.

One of the things that we are looking forward to is seeing what Celtic Quinn's buckling, Spice Tea daughters look like. Celtic Quinn's dam had a very high and well-attached udder and she was the **Grand Champion Senior doe** at the same show that **Celtic earned his Permanent Championship!**
