

OLD MOUNTAIN FARM SPRINGLOADED

Old Mountain Farm buck, Springloaded (aka Springer) was brought to Bramblestone Farm in 2016. As usual with the OMF goats, they bring exciting genetics to herds they join and Springer is no exception!

Springer's dam, Old Mountain Farm Parti Favah scored **90 VEEE** for her permanent, excellent linear appraisal score. Parti is a gorgeous doe that has obviously passed her genetic beauty to her son.

Springer's sire, Old Mountain Farm Darius Quinn, is littermate brother to Old Mountain Farm Cyrus Quinn. Cyrus is the **2017 ADGA National Reserve Get of Sire** and **2018 ADGA National Get of Sire!**

Springer's grand sire is littermate brother to the 2018 ADGA National Best Udder Doe, **3*M SGCH** Old Mountain Farm Sunday Drive **3*D**.

Springer's grand dam is sire to Cyrus Quinn, grand dam to the **2016 ADGA National Champion Junior** doe, and daughter of the **2008 AGS Junior Champion** buck.

As a two-year-old, Springer scored **85 +VV** in linear appraisal. The photo's above are of Springer as a two-year-old while the one below is him as a one-year-old. The photo below that photograph is his Springer's baby picture from Old Mountain Farm.

Mitten Acres SL Trenton could be Springer's twin they look so much alike!

In addition to his great conformation and dairy character, his dam and grand dams have incredible looking udders, and almost all of them have earned their Advanced Registry milk production stars.
