Permanent ownership of this dog is contingent upon your compliance with this Addendum. Proof of the spay/neuter must be received by Husky Acres within fourteen days after the procedure. In the event that the dog's health does not allow this agreement to be honored, Husky Acres must be provided with a statement from your veterinarian that this dog is not yet in physical or emotional condition for surgery. Based upon the veterinarian's evaluation of the dog the (purchaser) will notify Husky Acres of this amendment in writing, at which time all other conditions of this agreement will apply and be enforced.

This is the responsibility of the Purchaser, not the veterinarian, to ensure that Husky Acres has received verification that the procedure has been performed. A copy of the medical record as well as the receipt is necessary verification along with the veterinarian's phone number to follow up about the procedure. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the contract, and the Purchaser will transport this dog back to Husky Acres and will not be entitled to a refund.

In the case of the puppy's demise on or before the above listed date, a written statement from your veterinarian must be sent to Husky Acres, stating that the puppy has indeed passed away

and the cause of death. This is an unfortunate step. Purchasers will also be fined \$5000 in the event this puppy was purposely bred or an accidental breeding.

**By my signature below, I agree to have this dog spayed/neutered by the age of ONE YEAR (12 Months). I understand that this spay/neuter agreement is an agreement that this dog will not produce a litter of puppies either as purposely bred or by accidental breeding. I also agree that should that puppy not be SPAY/NEUTERED that I will return said puppy back to Husky Acres with no refund and be fined.**
