

We solve complex problems so you can focus on building a brighter future.

Capabilities Statement

Why Choose Us

Industry Expertise & Insight

We apply technical knowledge and real-world experience to solve the issues our clients face.

Strength of the Pack

We build trust through honesty and integrity in everything we do for our team and clients.

Value Creation

We deliver innovative and affordable solutions that contribute to a better future.

Our Experience

Akela is a Certified Public Accounting (CPA) firm that specializes in program integrity, risk management, and financial consulting for government programs, which a focus on loan and grant programs. Founded by Crystal Wolf, an experienced leader in compliance and program oversight, Akela is committed to ensuring that government resources are used effectively to deliver meaningful outcomes for citizens.

We bring a distinct and unparalleled approach to addressing program integrity challenges, combining technical expertise, regulatory knowledge, and actionable tools to drive results. Our team has worked with numerous agencies, including Department of the Treasury, Department of Housing and Urban Development (HUD), Small Business Administration (SBA), Department of Education, and Department of Commerce, equipping us with the foundational knowledge and hands-on experience needed to provide tailored, impactful solutions.
