

Thanksgiving Order Form 2020

Thanksgiving is Thursday, November 26, 2020. **Last day for**

ordering is Saturday, November 14, 2020. There will

be no more orders taken after that date. Really! We mean it. All orders must be paid for when order is placed. Any cancellations made after Monday, November 23 needs to notify us by phone or email so we have a chance to sell your order, or you will forfeit deposit. All pies are homemade and baked fresh. **Please order early!** If we are overwhelmed with orders like last year, we may stop taking orders early and without warning. Prices are subject to change without warning if there is a significant jump in market prices. We will not have extra pies or rolls for sale.

All Thanksgiving orders must be paid for when order is placed. I agree to pick up my order as planned on the day agreed upon. If I do not make arrangements to have my order picked up by 12 noon, I will lose my deposit and order.
