Dear Titus Members,

Welcome back and get ready for some fun in the sun! The Board of Directors and I are very excited about the upcoming 2021 season! Needless to say, we experienced a lot during 2020 and will use that knowledge to guide us forward. Unfortunately, in 2020, we had a decrease in membership, very minimal swim lessons and no camps or parties. Therefore, we are looking forward to and anticipate a great 2021 season with swim and tennis lessons; as well as camps and parties. A big thank you to Tessa Best (the park manager) and her outstanding staff for helping to ensure the safety of our members!

The Titus Swim program is on track to be stronger than ever! Titus will offer group, semi-private, and private swim lessons as well. Titus legacy, Carla Caballo, will continue working with children one-on-one. If you have young swimmers, I highly encourage you to come and check out all the options. Returning this year as our head tennis pro is United States Professional Tennis Association "Pro 1," Phil Batchelder. We encourage you to call Phil at (831) 262-3417 year round for questions or to arrange lessons.

We plan to continue to offer our summer camps. Camp Titus is a fun experience for kids ages 5-12 and allows campers to experience something new each day. They take part in different crafts each day, hike into the hills surrounding our beautiful park, swim, and play tennis with Phil. We are looking forward to a great summer of camp, so please make sure to check it out this year. Your kids will thank you!

Enclosed is your invoice/membership form for the 2021 season. **Please note that if you pay by March 15, 2021, you are entitled to a \$80 "early bird" reduction from the regular \$795 annual membership fee.** The Titus season begins **March 26, 2021**, and we will be open the entire week of Spring Break. A final schedule will be available in March 2021.

The Titus Heritage Membership program will continue. That is, after 10 years of membership with Titus, you will receive a 10% discount on your dues for your 11th season. Each of the following consecutive years, you will receive an additional 10% off your membership dues (up to 15 years/total of 50%). If you qualify for Heritage Membership, your status will be noted on your 2021 invoice/membership form.

- 12 years = 20% off membership dues,
- 13 years = 30% off membership dues
- 14 years = 40% off membership due

Please remember, Titus is a member-owned, non-profit organization, and it takes all of us to make our park its best! If interested, ***we are looking for new board members as well as committee members*** for these committees: social, maintenance, membership, and beautification. For more information or to join our monthly meetings, please contact any of the board members or the staff of Titus Park.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew Williams".
