Dear Titus Members,

Welcome back to another year of Fun in the Sun at Titus! The Board of Directors and I are very excited about this upcoming 2024 season.

Thanks to our wonderful Park Manager, Tessa, and her great staff, we had a fantastic 2023 season in our newly resurfaced pool. Yes, if you didn't notice, we had a facelift to make Titus Park a safer place with a resurfacing, new ladders handrails & coping. This has been the largest capital investment in Titus Park History! I know that with many of the same key players, 2024 will not disappoint! Great guards, outgoing and fun swim instructors, friendly Camp Titus counselors and knowledgeable park staff on deck make for a very enjoyable visit to the park!

The Titus Swim program is stronger than ever! Titus will offer group, semi-private, and private swim lessons as well. Our very own Titus legacy, Carla Caballo, will continue working with children one-on-one. If you have young swimmers, I highly encourage you to come and check out all the options.

Returning this year is United States Professional Tennis Association "Pro 1," Phil Batchelder. He will continue as our Head Tennis Pro in 2024. We encourage you to call Phil at (831) 262-3417 any time of the year for questions or to set up a lesson with him.

We will continue to offer our summer camps, as we have received significant positive feedback for our late-summer program. Camp Titus is a fun experience for kids ages 5-12. They take part in different crafts each day, explore the park, swim, and play tennis with our Tennis Pro, Phil. Every day is something new. We are looking forward to another great summer of camp, so please make sure to check it out this year. Your kids will thank you!

The Titus season begins Friday, March 22nd, and we will be open the entire week of the Washington Union School District's Spring Break. Please see enclosed schedule for list of dates. A final schedule will be available once WUSD solidifies their calendar.

Enclosed is your membership form for the 2024 season. Please note that if you pay by March 1, 2024, you are entitled to a \$100 "early bird" reduction from the regular \$899 annual membership fee.

For those of you who have been with Titus for many years, and for those of you who are planning to stay with Titus, The Titus Board has created the Titus Heritage Membership. After 10 years of membership with Titus, you will receive a 10% discount on membership dues for your 11th season. Every year after, you will receive an additional 10% off your membership dues (up to a total of 50%). Thus, once you reach your 15th year, you will receive a 50% discount off membership dues. These years are cumulative, so if you have a break in membership, only the years you were a paying Titus member will count. Sustaining years do not count towards your Heritage Membership.

11 years = 10% off membership dues

14 years = 40% off membership dues

12 years = 20% off membership dues

15 years = 50% off membership dues

13 years = 30% off membership dues

Please remember, Titus is a member-owned, non-profit organization, and it takes all of us to make our park all it can be! Please help us by getting involved! We are looking for new board members as well as committee members. This year we will continue creating committees to enhance the park and build community.

Committees will be: Social, Maintenance, Membership, and Beautification. We welcome anyone to stop in for our monthly meetings, which are now being held on the first Tuesday of each month. For more information, please do not hesitate to contact any of the board members or the staff of Titus Park! We need your support and participation to make Titus a great experience for all our members.

Sincerely,

Andrew Williams, President

And the 2024 Titus Park Board of Directors:

Larissa Tackett, Vice President

Jeff Jarvis, Treasurer
