GUESTS:

The facilities of Titus Park are intended for the enjoyment of the members and their immediate family. Guest privileges should be extended by members sparingly as not to cause inconvenience to fellow members or overload the facilities and staff. Members are restricted to a maximum of four guests per membership family per day and two visits per family per season and five visits per child per season. A \$5 per guest usage fee is required. Prior to any use of the park facilities, guest usage fee must be paid and

guest(s) must register at Park Reception Desk. Guest cards are available for purchase; 6 guests for \$25 or 13 guests for \$50. Members must accompany their guest(s) while using the park facilities.

MEMBERS:

Generally, when a member joins Titus Park, membership includes father, mother, and children. Membership may extend to include a grandparent or nanny, only when primary residence is that of the membership family. Otherwise, a grandparent or nanny may enter and use Park with children of membership family (without paying guest usage fee) only when “filling-in” for parent of membership family.

MEMBERSHIP:

Membership is renewed annually. Invoice is mailed to members during the last week of January.
