

I AM HATE

By C.E. Warner 8-15-21

I am hate, but wear many disguises.

Misunderstood, bitter, angry, naive.

All other acceptable reprises.

Any frivolous reason to believe.

My favorite tools, culture, religion.

Piety demanded conformity.

Christian, Muslim thrives best on division.

I hide best in holy authority.

Culture similarity comfort bred.

One short step to cultural exclusion.

Anger, distrust I can easily spread.

Dissatisfaction is disillusion.

Righteousness and nationalism combined.

A willing partnership, hate and mankind.
