Uncertainty can cause restless minds.

Not knowing will paralyze timid hearts.

Must assuage vacuum by many kinds.

Promised secret knowledge with peace imparts.

Rewards for secret comes with heavy price.

Totally obey, no questions, no doubt.

Appearance no impurity, no vice.

All demands peasants completely devout.

Inner sanctum ignores inward rules.

Quality of present life paramount.

All future promises for naïve fools.

Continued mass deception tantamount.

What be he called, Jesus, Zeus, Santa Claus,

Twill be nothing at end but a lost cause.
