

# Mobile Phone App

Whether you're in the office or on the go, the Mobile Phone App for ICONnect VP ensures you never miss an important call. Available on both iOS and Android platforms, this intuitive app empowers users to connect effortlessly to their business communications.

- Have business calls simultaneously ring your mobile phone, desk phone and soft phone.
- Make outgoing calls from the Mobile Phone App that ring out with your business caller ID.
- Put calls on hold, park calls, transfer calls or host a 3-way conference.
- Access your Contacts and Favorites and monitor the busy lamp field (BLF) status of colleagues.
- Customize call routing preferences.
- Access your voice mailbox.

And more!

## Easily Download and Install the Mobile Phone App for ICONnect VP
