BOARD OF DIRECTORS

- 11 FIRE BOARD COMMENTS. Board members may identify issues they would like placed on a future agenda but may not propose action or express their opinions on such items.
[NOTE to those in attendance: The Board cannot discuss or take legal action on any issue raised or proposed for a future meeting due to restrictions of the Open Meeting Law.]

12 ADJOURNMENT

The Board and Chief Rodriquez have concluded that enough progress has been made in controlling the pandemic that we now feel it is safe, while still maintaining CDC recommended safety protocols, to reopen the station and to resume holding in person meetings. We began that process with the May 15, 2021 board meeting, and will continue until further notice. Of course, your safety and that of our Board, staff and firefighters are of the greatest importance. We may take temperatures, and may employ socially distanced seating.

If any disabled person needs any type of accommodation, please notify the District prior to the scheduled meeting time.
