

# Forest Lakes Firewise Hours and Cost Tracking Form

Date: \_\_\_\_\_

Name: \_\_\_\_\_

Forest Lakes Address: \_\_\_\_\_

Hours Worked (nearest 0.5 hr): \_\_\_\_\_

Hours worked that can be counted are:

- lot cleaning time for raking needles
- cutting or trimming trees
- transporting to the green waste sight and offloading
- clearing the 0 to 5 ft immediate zone around house
- making house more firewise (foundation skirt, vent screens, etc)

These hours can be at your house, a neighbor's house or even during a community volunteer event.

Time spent at Firewise Update Meetings and Firewise Educational Programs will be tracked at the event so don't include those hours here.

How many loads have you taken to the green waste site: \_\_\_\_\_

What were the loads in (pickup, trailer, etc): \_\_\_\_\_

Cost (nearest dollar): \_\_\_\_\_

Costs include:

- Green waste site load fees
- Firewise house improvements (metal roof, vent screens, foundation skirts, etc)
- Contractor fee (if you paid someone to clean your lot)

If you used the Firewise tree thinning grant, your 20% cost is tracked through the grant so don't include that cost here.
