

FLFD Grant Activity Update – April 2024

Hazardous Fuels Grant (2023-2024)

- On plan. Half way through 2-year grant.
- Still strong community interest. Over 30 still on backup list.
- All costs paid by grant and property owners. No FLFD cost.

DFFM SB1720 – Loader shelter

- \$400k lump sum if awarded
- Submitted in January. Awaiting DFFM award announcement.

FEMA AFG for 2023

- Proposal submitted in March for Battalion 12 replacement vehicle
- \$88,619 total requested. 95% grant
- Low probability of award due to this vehicle type not a high FEMA priority

Community Wildfire Defense Program

- Proposal for funds to develop a Community Wildfire Protection Plan
- Coconino County and Greater Flagstaff Forests Partnership submitted proposal last October
- FLFD provided a Letter of Engagement to be included as a participant
- Still waiting for government response

Gary Sinise Foundation

- Opportunity discovered by Tom Cummiskey
- Chief is seeking quotes for wildland gear to submit
