

**MEETING MINUTES OF May 21, 2022
REGULAR MEETING OF THE
FOREST LAKES FIRE DISTRICT
AUXILIARY**

President Cummiskey called the meeting to order at 9:00 AM

Secretary Zimmermann called the roll, and all five board members were present.

Treasurer O'Brien presented the financial statement. The September balance was \$30,163 and \$22,000 was given to FLFD for the heart monitor. The auxiliary purchased folding chairs, funeral flowers, and T shirts, and the April 30 balance was \$7771. Scott Keele moved for approval and Chris Bennett seconded. The vote to approve was unanimous.

President Cummiskey presented the FLFD Board request to support the purchase of a sprinkler turret for the new water tender. Following discussion, Rita O'Brien moved to make the requested equipment the 2022 fundraising goal for 2022. Scott Keele seconded, and the vote for approval was unanimous.

Chief Rodriquez thanked the auxiliary for accepting the request to sponsor the purchase of the sprinkler turret. Chief also asked the auxiliary to support a water drive for 2022. Noting that inflation continues, Tom O'Brien asked if there is a way to lock in the price for the sprinkler turret. Chief said he will determine if that is possible. Chief said the expected price is \$12,000 to \$15,000.

John Nelson recommended that the Auxiliary material on the FLFD website be updated. President Cummiskey adjourned the meeting at 9:15 AM

Approved by the Auxiliary Board on June 18, 2022

Signed: _____

Richard J. Zimmerman
Dick Zimmerman, Secretary
