Step 01 : Consultation

Plans for your custom project . We will go over the ideas and plans you require for your project. Project due date. Discuss artwork and design. Determine artwork / design needs. Discuss garment style options. Review our minimum plans, rules and requirements. Go over the next steps to proceed with your project .

Step 02 : Submit Design Files

Send art work files for review . Artwork / Design files must be sent for review to determine if they are in proper format for apparel printing. We accept vector .ai .pdf .psd files and proper png files. Png files must be 300 dpi , transparent background and large size for scaling. Determine design sizes needed and review placements of the art work. Artwork / Designs that are not print ready will require a vectorizing process in order to have it ready for printing. Send files to techneqprintstudio@gmail.com

Step 03 : Garment Styles / Colors / Sizes

Select garment styles / colors / sizes for your project. We will discuss any further questions you may have about garment material options , blank brands, garment fit , etc. Review minimum plans and determine order amount .

Step 04 : Project Quote

Quote for your custom project. We will review all the details about your order and write a quote highlighting the total cost for your project. Please allow us 1-3 days to complete your quote. Once Quote & Proof is approved we will send an invoice for a 50% Deposit, required to start your project.

Step 05 : Proof & Spec Sheet

Proof / Spec Sheet Review & Approval. We will send a Proof and spec sheet for review, highlighting all the details you have requested for your order. This includes visual mock-ups with the artwork and placements on the garment, art work measurements and specifics. We will require you to review Proof / Spec Sheet and disclaimers before approval. Once approved and 50% Deposit is received, we will begin the ordering process to start production.

Step 06 : Production

Print Production. Once we have received all the materials required for your project, we will begin production . Turn around time for all orders is currently 7-10 days after deposit is received. Custom patch orders will require 3-4 weeks.

Step 07 : Delivery / Shipment

Delivery / Shipment . Your custom project is complete and ready for delivery. We will send you the invoice with the remaining balance. Complete payment is required before project delivery. We will determine the best option for shipping or delivery. We offer Free local delivery to our valued clients .
