

# RunBelievable Challenges

## The Runway Rerun

Saturday 14th March 2026 - 9am start

### COURSE DETAILS

We have had to change the route for 2026 due to the airport now being used as a base for the Air Ambulance. The lap distances remain the same but the trail sections have been removed, so the entire course is now on concrete so no need to dig out your trail shoes.

### Weather

Sunny with a gentle breeze. Highs of 24 degrees

### Parking

There is allocated parking by the control tower. This is £5 per car. (Spectator and runner)

### EVERYTHING ELSE...

**Toilets:** There are toilets in the control tower.

**Getting there:** No issues that we are aware of.

**Time Limits:** There is a hard 8 hour cut off to complete as many laps as you like. One lap will earn you a medal. All full laps must be completed within this time.

**Numbers:** These will be picked up at base camp on race day.

**Lap counting:** You will have lap cards which will be clipped after each lap.

**Aid station:** Well stocked with cake, treats, water, juice and cola.

**Bag drop:** There will be room inside and outside the control tower but feel free to use your car as well.

### Doing our bit:

We will not be supplying any plastic cups, instead we ask all runners to bring their own named bottle or cup which can be replenished freely at the water station. If after the event any runners or spectators have anything to dispose of, please please could you take it home with you!
