## Completed Projects

In February the Elko Basque Club bored had set up a work party. Board members, their spouses, the Elko Arinak Dancers, their parents, club members and many more came up and helped paint the interior of the Clubhouse, refinished the bar and hung a new Lifetime Membership board. We want to thank everyone who came up and helped!

## Upcoming Projects

The current board has a long list of projects that we would like to get completed over the coming years. We are looking for addition fund raising ideas to accomplish these projects.

- Build permanent shade structure over outside bar.
- Grind, polish and seal the outside bar top.
- Pave the area between front gate and street.
- Re-design and construct an outside entertainment area with a large retractable/removable shade structure over the dance floor, replace all concrete and asphalt with new concrete and pavers.

Any donations are appreciated. Contact Choch for more info (775) 389-1538
