

## ELKO EUZKALDUNAK CLUB

### News:

**Lunches to begin again as weather cools off. Watch the website and local paper for dates and times.**

**October is nominations month with elections in November. We have 3 seats on the board that will be open; along with one NABO representative.**

**Scotty at the Star hosted the Mus tournament in September. Many thanks go out to him for his efforts.**

### A BIG THANK YOU

I personally want to thank all the members and non-members that helped with this year's festival. With all the craziness of the last 18 months regarding the pandemic, the 2021 National Basque Festival turned out to be a big hit! It was good to see all the folks coming out and having a great time. This year we tried a slightly smaller toned-down version of the festival and it was great success with a very good local turn out. In addition to the local folks there was a showing from out of town that we haven't seen years. This whole festival couldn't have happened without all the help that we received from everyone. You will never know how much I personally appreciate the efforts.

THANK YOU!

### Projects for 2022 and beyond:

The current board has a long list of projects that we would like to get completed over the coming years. We are looking for addition fund raising ideas to accomplish these projects.

- Build permanent shade structure over outside bar.
- Grind, polish and seal the outside bar top.
- Pave the area between front gate and street.
- Re-design and construct an outside entertainment area with a large retractable/removable shade structure over the dance floor, replace all concrete and asphalt with new concrete and pavers.
