

Thank you

After 61 years of celebrating the National Basque Festival, we continue to be overwhelmed by the incredible support and love shown to the Elko Euzkaldunak Club year after year. None of it would be possible without our dedicated members, generous sponsors, loyal friends, and the supportive Elko County community. This year, we were also honored to host Udaleku in the two weeks leading up to the Festival—a tremendous undertaking that was executed beautifully. This accomplishment would not have been possible without the hard work of our volunteers and the generosity of our sponsors. From the bottom of our hearts—thank you for helping us keep Basque culture alive and thriving in Elko.

UDALEKU
