Thank You!

For 62 years, the National Basque Festival has brought our community together to celebrate our rich Basque heritage, and we are continually humbled by the kindness and support we receive each year. This celebration would not be possible without our generous sponsors, dedicated volunteers, loyal supporters, and the amazing Elko County community. Your encouragement and commitment allow us to continue sharing our traditions with future generations. From all of us at the Elko Euzkaldunak Club, thank you for being part of our journey and helping keep Basque culture strong in Elko. We are truly grateful for each and every one of you.
