

Helping Agencies Prepare, Respond, and Recover When Disasters Strike

With California preparing for El Niño-driven severe weather, flooding, erosion, and storm impacts, **Kaplan Solutions, Inc. (KSI), SB #1529420**, helps State and other public sector agencies rapidly source and deploy critical emergency response, flood and erosion control, hazmat, decontamination, public safety, search and rescue, and disaster recovery products.

For more than 15 years, KSI has supported State agencies with emergency response, public safety, environmental, and disaster recovery solutions. Our experience includes serving DGS Emergency Task Forces, Caltrans, CalOES, Department of Water Resources, and other state and local organizations including the American Red Cross. As a California Certified Small Business (SB) and DGS registered SB/DVBE Emergency Registry supplier, KSI provides streamlined purchasing options through cooperative contracts (NASPO Public Protection) and emergency procurement channels.
