SAFEWARE®

CALIFORNIA | NASPO VALUEPOINT® Rescue & Public Protection Equipment

Single-Award California Participating Addendum 7-26-99-57-01.02 (2026-2030) Master Agreement 4400038604 (SAFEWARE)

Kaplan Solutions, Inc. (SB #1529420), is proud to partner with SAFEWARE, INC., a national leader in public safety and emergency response equipment, as an authorized California Small Business distributor under the State of California's Participating Addendum with the NASPO ValuePoint Rescue & Public Protection Equipment portfolio.

Through this Cooperative Agreement, California agencies and eligible entities can access Public Protection Equipment including: rescue, hazmat, intervention, decontamination, public safety, and emergency response equipment through a streamlined procurement process.

Product Categories in the agreement are available through Kaplan Solutions & Safeware

RESCUE

- Search and rescue tools
- Wildland gear and equipment
- Water rescue equipment
- PPE and responder safety equipment (specialized hazmat PPE)
- Traffic control and roadway safety products

HAZMAT

- Gas detection and environmental monitoring
- High-visibility workwear and PPE
- Respiratory protection (CBRNE/SCBA)
- Spill response equipment
- Hazmat containment solutions

INTERVENTION

- Law enforcement support equipment
- Traffic safety equipment
- Tactical communications
- Crowd management solutions
- Entry and intervention tools

DECONTAMINATION

- Mass decontamination systems and shelters
- Wastewater collection and containment systems
- Roadway and vehicle decontamination systems
- Personal decontamination kits
- Decontamination chemicals and neutralizing agents

Benefits for California Agencies

- ✓ Streamlined procurement through NASPO ValuePoint cooperative purchasing
- ✓ Support for Small Business participation mandates
- ✓ Access to industry-leading public safety and emergency response equipment
- ✓ Responsive California-based support
- ✓ Procurement and contract compliance expertise
- ✓ Emergency response and disaster recovery experience
- ✓ 24/7 customer service

We are proud to support organizations responsible for protecting communities, maintaining critical infrastructure, and responding to emergencies throughout California.

Kaplan Solutions Supporting California Agencies

Kaplan Solutions has experience supporting California public agencies and critical infrastructure organizations, including the DGS SERS, Governor's Office of Emergency Services (CalOES), California Military Department (CMD), CHP, CalFire, Caltrans, Departments of Corrections (CDCR), Veterans Affairs (CalVet), State Hospitals (DSH), Water Resources (DWR), Conservation (DOC), and more as well as the California State University (CSU) system, and other Public and Private sector entities.
