

BRING THE MUSIC BACK (SAFELY)

Dear Music Friends,

Music is our passion!

We can only imagine how incredibly hard it's been to close your doors this past year due to the pandemic. Through our initiative, *Bring the Music Back to Sac (Safely)*, we want to do our part by donating Personal Protective Equipment (PPE) and Sanitation Products to music venues in the Indomitable City of Sacramento and surrounding region.

Free PPE and Sanitation Products

We've partnered with our suppliers to provide charitable PPE, Disinfectant, and Sanitation Products to help local music venues reopen safely.

Compliant with all regulatory requirements, these high-quality products include:

- Hand Sanitizers and Soaps
- EPA List N Disinfectant Liquids and Wipes effective against SARS-CoV-2/COVID-19 Virus (including low toxicity product lines)
- Hand Sanitizing Wipes
- Nitrile Gloves and Protective Masks

Available for Immediate Pickup

These products are currently available for pickup from our Rancho Cordova (Sacramento) warehouse.

We look forward to connecting with you to *Bring the Music Back to Sac (Safely)*. Please contact us at the number below.

Sincerely,

Glenn Kaplan
